Department of Instrumentation Engineering

GUEST LECTURE ON

NEED OF AUTOMATION IN TEXTILE INDUSTRIES, 14 MARCH 2017

SIPNA COLLEGE OF ENGINEERING & TECHNOLOGY,AMRAVATI

About Speaker

Mr. Ashish Kanetkar (*Instrumentation Engineer, Raymond Textile Industry, Yawatmal*) delivered a guest lecture on "***Need of Automation in Textile Industries***" on 14/03/17.

Topic Covered

- Various Instruments used in Textile Industries
- Process in Textile Industry
- Programmable Logic Controllers
- Automation used in Industries

Student Response

Guest lecture was organised for third and final year students which would help them to know about complete proc in textile industry and how instrumentation is applied for that process.
