Inspirational Quotes:

“You are braver than you believe, smarter than you seem, and stronger than you think.”

Edited By:

Prof. S. Z. Khan

Technical Wall magazine :TECHNOCRAT

Students are busy in their day to day schedule and they don't find time to explore their internal qualities. So thought came from department to form Wall Magazine ,“TECHNOCRAT”. Wall magazine was started in the year , 2008-2009. Wall magazine is an important means to enable the students to express their inner feelings. It also helps them in developing the positive and desirable qualities. The main objective of wall magazine are as follows :

- To include the innovative technical ideas amongst the student .
- To express their thoughts and views in social aspects.

Teacher Guardian Scheme (TGS)

About TGS

This scheme was launched in 2008. In this scheme one teacher is nominated as teacher guardian for 20-22 students. In the role of guardian , the teacher nurtures students

Objectives:

- 1) To motivate the students for better academic performance.
- 2) To motivate the students for Professional excellence.
- 3) To motivate the students for Higher studies and research.
- 4) To motivate the students for getting professional employment.
- 5) To motivate the students for at least one extra curricular activities.
- 6) To solve all types of problems faced by students.

Technowings

Technowings was founded in 2015 by the students for the students.

Salient Features:

- Aptitude test
- Personality Development program, Personal Interviews, Group discussion.
- Guest Lectures.
- Paper Presentation
- Technical Workshops
