

## **Visit of Nature lover Denmark delegates to Sipna College of Engineering & Technology, Amravati.**

Sipna C. O. E. T. got an opportunity to meet and interact with **Mikel Rodwing, Kyarina Pilgaard, Nikolin Jeppison, Lueis Bong**, the delegates from Denmark on their visit to India. They consist of people from various backgrounds & professions like Psychologist, Socialist, Forest Engineers, all having special focus and concern about nature and environment. **Prof. S. P. Mahajan, Prof. K. V. Pawar, Prof. U. V. Ramekar, Prof. Vipul Soliv** gave a warm welcome to the Denmark delegates in Sipna campus. Student members of various Sipna clubs got the opportunity to interact with the team. The guests shared the best practices followed in Denmark related to conservation of environment, plastic eradication & recycling.

The team highly appreciated the clean & green campus of Sipna C.O.E.T. They also applauded for the various activities for environment conservation like, tree plantation, paper bags preparation, awareness programs practiced by the institute. We are thankful to **Dr. P. R. Malasane, Dean students affairs, Mr. Anuj Khandelwal, Shubham Khandelwal & the nature club team** for taking efforts to give us this refreshing experience & making the visit happen.
