

Webinar on “India First – Leadership Talk” and Workshop on Intellectual Property Right (IPR)

Sipna College of Engineering and Technology have established Institution’s Innovation Council (IIC) under Ministry of Human Resource and Development (MHRD). The Innovation Cell is established to encourage, inspire and nurture young students to work with novel ideas. To attain the motto, MHRD’s Innovation Council organizes different programmes to foster the culture of innovation among the students.

In concern to this, On 8th January 2018 a webinar is conducted by Shri. Anand Mahindra, Chairman, Mahindra Group, on India First – Leadership Talk. For the programme Shri. Anand Mahindra discussed on Innovations and Entrepreneurship by answering different questions asked by students from whole country. 958 students of Sipna College of Engineering and Technology were live for the programme.

Subsequently, half day workshop was conducted on 10th January 2019 on Intellectual Property Rights (IPR) for faculty and students of the institute. The offline session was conducted by Advt. Swapnil Gawande followed by webinar conducted by Ms. Shwetasree Majumder, Principal, Fiduc Law Chamber.

The programmes were conducted under the guidance of Shri. Jagdishji Gupta, President, Sipna Shikshan Prasarak Mandal, Dr. Avinash Gawande, Principal Sipna College of Engineering and Technology, Amravati, Dr. Sandeep Rode, Dean Development and Planning, Dr. V. K. Shandilya, Dr. Jitendra Edle, Mr. Manoj Tambakhe, Mr. Sachin Kalbande, Mr. Purval Ganthade coordinated the programme.
